Buying any auto or truck that is in need of work, even if Major. I am looking with CASH In hand and a way to TOW any automobile that needs it, but BE REALISTIC WITH PRICE..... Looking to buy any Cars or Trucks (4wd or AWD) that have body damage, or need major engine repair / service. Major mechanical problems or issues fine with me! Cracked block, leaking head gasket, Seized engine or Motor, to slipping transmission or tranny. Knocks knocking motor, noisy or loud sounds are fine. If you need it gone today, need space in your garage, need money, I am your man. I wont pay "TRADE IN VALUE", which are inflated because they rob you on the actual car sale. NO DEALERSHIP EVER OFFERS TRADE IN AS THE SAME VALUE AS CASH OFFER.

BIGGEST PET PEAVE....."I was asking \$400 for my car, but just had to replace the water pump that cost \$350, So now I need \$750 for the car".....LETS BE CLEAR, water pumps should NEVER have to be replaced, UNLESS you drive on E all the time and burn it out. DONT WASTE MY TIME.

Referrals are always great for older folks or neighbors!

Need gone, must go, does not run, blown engine, needs work autos please
