I am a college student looking to buy Cars or Trucks in any condition.

Please keep in mind I am in college with alot of debt already, and I am doing this to work on cars and learn while doing it. It takes alot of time, energy, and money to buy parts when fixing, please keep that in mind.

I am interested in anything GM, chevy, pontiac cadillac GMC 4wd or AWD) that have body damage, or need major engine repair / service. Major mechanical problems or issues fine with me! Cracked block, leaking head gasket, Seized engine or Motor, to slipping transmission or tranny. Knocks knocking motor, noisy or loud sounds are fine. If you need it gone today, need space in your garage, need money, I am your man.

DONATIONS ARE MUCH APPRECIATED, especially for clunkers or rust buckets that have been sitting and rotting in back yards.

I can also buy junk, crashed, totaled, parts cars YOU NEED TO HAVE THE TITLE.

You need to know I need some meat on the bone with these, meaning I CANNOT pay \$500 for a car that needs \$500 worth of parts and work, and will be worth \$1000 when in running condition, that would be me donating my time to you and taking the risk off your shoulders and placing it on.
