My name is Harley. I am 25 years old. I have 4 children of my own! Ages 6, 5, 3, and 1. I currently have an opening for Monday-Friday. I am looking for a part, or full time child (or children). I moved to Sandy 2 years ago. I have 2 daycare child right now, One part time, one full time. I have one, maybe 2 spots available for day time hours. I have a lot of experience and plenty of references. I've done daycare out of my home for 6 years. I have worked in gym daycares, had nanny jobs, and worked for the state with autistic kids. I am also very experienced in the medical field. I have cared for several children with severe medical needs. I have taken care of children with needs from being deaf, to autism, to complete dependency. I know a lot of sign language. I am educated with positive reinforcement and use that in my daily routine. I have taken a Love and Logic class and use that as well. I enjoy watching children and have made this my career. If you are interested, please give me a call. I can answer any questions. I will do a background check. You are able to come to my house any time. I am not CPR certified, but am willing to if it's required. I am NOT a licensed provider. My daycare is a safe, educational, fun, clean environment. We have a fun playroom. We learn responsibility, clean up, pretend play, sharing, communication, along with a lot of other positives, just through play! Lots of toys to share! We spend time outside, at the school park, learning activities, games, and shows. Hope we can work together! Give me a call with questions. Thanks!
