PLEASE, check the impounded animals list at Columbus, Ga. Animal Control:

http://www.columbusga.org/PublicWorks/Animal_Control/impound/

(There are ALWAYS several pages of animals to view.....please be sure to keep clicking "next" until you have viewed the photos of ALL the impounded animals!)

It's also a good idea to go to this facility in PERSON to look---because if your pet has been injured, he or she will back in the "quarantine" kennels, and will not have their photo on the website! DO NOT just ask an employee if they have an animal that matches your pet's description. Please INSIST to see all animals YOURSELF, and that INCLUDES the ones in the injured/quarantine!!

Many lost pets in Columbus are euthanized at this facility because their owners never come to look for them there!

Columbus Animal Control is located on Milgen Rd., just east of Cooper Creek Park and behind PAWS Humane.

You can find more information on the link.
