Want to avoid the cost and hassle of renting a moving van or calling professionals?  
 Bought a piece of furniture on craigslist, or at a local retailer that doesn't deliver?  
 Need some items taken to the dump?  
 Just need a pickup truck and a little help?

My name is Jason, and I have a reliable Ford Ranger with an extended bed, 7'0" x 4'4". With the tailgate open, I can accommodate items as long as 8'6". I also have tie downs, blankets, tarps, and a hand truck to help move your items safely and easily.

**\*\*I am the least expensive mover in the Hartford area\*\*** - \$25/hr for the truck and my moving help, plus any additional costs I may incur, such as fuel, tolls, or dump fees. My minimum is just \$50. If large items such as couches or appliances are to be moved, please ensure that an able-bodied person is present to assist me.

Sample prices as follows:

3 hours of labor to help you move to a new apartment (\$75)  
 fuel fee (\$10)  
 = \$85

Truck rental and gas for a larger move (About \$100, varies with truck size and distance)

3 hours of labor to help you move

fuel fee (\$10)  
 = \$110 (My minimum charge)

My truck and I can do most anything. Let me:

- help you with a move to a new house or apartment
- pick up and transport an appliance or a piece of furniture
- assist with junk removal and take unwanted items to the dump
- help move items to or from your storage unit

-I'll even do LONG DISTANCE moving and courier service. I've been as far as New York and Boston!

Primarily serving Berlin and nearby towns (New Britain, Newington, Cromwell, Southington, Rocky Hill, Meriden, Middletown, West Hartford, Farmington, Cheshire, Wallingford, Wethersfield, Plainville, Bristol etc). I can certainly travel farther, though additional considerations for time and fuel may apply.

I work professionally some weekdays, so call, text, or e-mail me anytime to schedule. Thanks for your interest!
