Hi:

10+ years of experience, Degree from UC Davis, Certifications from RCM (Royal Conservatory of Music) and CM (Certificate of Merit).

I'm a highly motivated teacher that puts my students progress as my number 1 concern. My students work hard and I push them to their potential. I believe that everyone could play piano, it just requires positive attitude and hard work.

I believe music is an art form and reaches out to each individual differently, so we have to use different approaches for different personalities. I create an unique curriculum for each of my student tailored to his/her individual needs.

Techniques include: Thompson, Alfred, Bastien, Hanon, etc

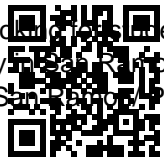

I'll travel to your home (all south bay), \$30/lesson 30 mins per lesson

?????????. \$30/?
