eBay PowerSeller available for contract/freelance work. Have you always wanted to market your product on eBay but don't know where to start? I am a long term eBay PowerSeller offering contract/freelance work to get your eBay store started, most specifically to clothing boutiques and high end women's consignment stores, but I can work for other businesses as well. I have worked in Atlanta area but am available to work outside of Atlanta when travel costs are covered. My starting rate is \$25 per hour plus expenses.

The thousands of dollars in revenue available for local businesses to sell their items on eBay is mostly an untapped market, let's get your eBay store up and running.
