

Lost Dorkie (Bentonville)

Location **Arkansas**
<https://www.genclassifieds.com/x-336294-z>

My little dorkie went missing this morning from Bentonville at Central and J Street. He is black and tan, about 7-8 pounds, and has a bad back. He did not have his tags or collar on when he went missing. If you know where he is or have seen him, please call me..
