3 bed, 3 bath home across from the east entrance of the Cherry Creek State park. The house is updated. I'm a 33 y/o Professional. No kids, single. Too much house for me alone! I keep my house very clean. This posting is for ONE individual. Also, no pets, I am allergic sorry! I wake up early and sleep early everyday. This will not be a party house. I do not smoke and cannot be around it. Non smokers only. We would have to meet and see if we vibe. Please send a picture, Facebook, or any social media to get it going. Feel free to ask any questions. \$500 included all utilities and wifi. Month to month rental. Room has its own bathroom and side entrance.
