Need Amateur up and coming models for edgy urban shoots (Denver)

Colorado Location https://www.genclassifieds.com/x-336383-z

I am a photographer and designer looking for models who are interested in alternative shoots. Looking for experimental, edgy and urban. Would like to do an urban photos series with an open minded model. Someone who is comfortable being nude and semi nude. You will get copies of all the final photos for you to use in your portfolio. Can also lead to paying gigs. If this sounds like something you are interested please reply..
