B.C. Rich Virgo guitar with peavey bandit 112 amp and white coffin case. Great condition, never played in a show.
 Also Ibanez ergodyne bass with old school half stack bass tube amp. Great sound, great combo. Gig bag included, also never played in a show and great condition.
 The bass was \$1600 brand new, the guitar just under \$400, and I have kept them new. Plug it in and piss your neighbors off instantly. \$1500 takes it all.

I WILL NOT SHIP. CASH IN HAND, MEET IN PERSON. I WANT TO SEE WHO I AM LETTING GET THESE.

Also.. possible trade for something with wheels and a running motor thats not a truck suv or car... Quad motorcycle three wheeler 150cc scooters etc, send pictures, worst I can do is say no right? Have something to add that goes boom for the right quad or bike. I have more and I can send more ulpictures upon.
