First off you must have a valid .edu email account.

Our software company is currently seeking college students to report the usability of our smartphone application. All students will be rewarded with 20\$ for their participation.

- To sign up on your smart phone, go to your app store and search for 'Treats' by Clinkle.
- Verify your student status using your .edu email address.
- Once you've downloaded the application, go to the home screen and swipe 'up' on the top clear card in your on the homepage wallet.
- Click enter code at the bottom and type in GBQB495 (case sensitive! use all caps!)

A \$20 payment credit will be made to your account in the form of a pre-paid Visa debit card.

You can now also share with others and make \$10 each time someone joins.

Thank you for your time and.
