40 year old professional white male is seeking an attractive female for short or long term social and business assistance. I am fit, healthy and considered handsome by friends. Relationship can be platonic and is compensated generously for your company. Salary,travel, tuition, housing and transportation assistance is all possible. 20 years ago I benefited from a similar opportunity and for the last ten years have helped many ladies financially through college and onto successful careers. Just send me a few photos and a little about yourself and if I'm interested I will contact you by email with details and photos of myself. No photos no.
