29 year old female figure model available for drawing, painting, and photography. 5'3", tattooed, curvy, and athletic.

Have worked on many different kinds of projects with many different kinds of people, including but not limited to:

figure drawing
oil paintings
artistic nudes- photography
posing with partners
bondage/fetish modeling

I have a history of dance and theater. I'm flexible and open-minded. Compensation varies with the nature of the project, but I am currently only looking for paid gigs. Am open to working indoors or outdoors, but no, we cannot just come to my place to shoot. I leave it up to you to provide or think up a location.

Please respond with your name, the nature of your project, and when you're available.
