

Property Management, Leasing, Rental Property Manager (Omaha Metro)

Location **Iowa**
<https://www.genclassifieds.com/x-336886-z>

Cambiar Real Estate Group LLC

Since 2006, Cambiar Real Estate Group, LLC has been serving the Omaha Metro with property management and leasing services. We specialize in higher end residential and light commercial properties but our portfolio contains a wide range of property types. We pride ourselves in providing personalized service and we treat each property and tenant as our own.

Unlike the large companies in town where you are simply an account number, we are a small company so each client is important to us. We know each owner, property and tenant by name.

If you or someone you know is in need of property management or leasing services please contact us. Visit our website at www.cambiargroup.com for more information
