A recent 5 star Yelp review: "We are so glad that we picked Bodhi for our Hawaiian sunset beach photo shoot. Even though we were super late, he was very understanding and accommodating. He encouraged and made us feel comfortable in front of the camera. And as the sun was setting, he knew exactly where to capture the best views...on the beach, or the lagoon or the deck, etc. He was open to different ideas and we ended up with some really good memories to take back!"
