Hello,

My name is Kelsey and I am a Herbalife Coach. I am seeking new Wellness Coaches to add to our rockstar team. I currently have five positions available for the best candidates that exemplify positivity, motivation and independence.

This is a health and nutrition opportunity that allows you to build your own business, make a massive impact on the community and help others achieve their health and wellness goals.

As a distributor and wellness coach, the candidate will be involved in promoting the Herbalife product range to the public, and providing 1-on-1 evaluations with potential clients to identify their optimum wellness program and then working with those clients to reach their goals.

- Build a profitable business locally and internationally
- No prior experience or educational requirements
- Work from anywhere!
- Work at your own pace -- part time or full time
- Receive the training and support you need to reach your goals

As an Herbalife distributor you can qualify for exclusive vacations and targeted training events all around

the world.

I have been providing the general public with access to the full range of products Herbalife has to offer. I have been a member of the Barcelona and Galaxy and have been an Olympic athlete.

Email if you are ready for the opportunity that will change your life. I am located in North Andover, MA but have people all around the world on my team! I have a few spots left for my business opportunity meeting on Monday. Email to reserve your spot!

Best,
