I'm a college student available to babysit/nanny your child/children. I'm a 34 y/o female who attends college during the evening and I am also a local country music cover singer. I'm reliable, responsible and have many references. I've been a stepmom for 9 years and will be a mother of my own some day. I've cared for all of my nieces and nephews as well as for other friends and family. I currently care for my friend's 2 kids on Sundays.

I am free from 6am until 6pm Monday Through Saturday.

Pay will be negotiated. I can sit at my house or yours. I have a beautiful home in Wyandotte. I've lived here nearly my whole life. I live right near the skate park. I have a 6 y/o niece, and a 5 & 8 y/o nephew who come to visit from time to time. Lots of kids in my neighborhood as well.

You can contact me anytime via text or phone. You can also email me.

You can find me on the Babysitting/Nanny Website (Care.com) and My Background check is also on file there:
