

Clean Vocalist seeking MetalCore band (NKY)

Location **Kentucky**

I'm a 20 year old clean vocalist looking to form or join a band.

I have a good job and a reliable car.

I'm a clean vocalist, I can play the basics on guitar and piano.

I can kind of scream, working on it.

I'm also starting vocal lessons this Saturday to get some professional training and expand my range, tone, and control.

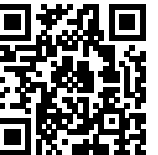

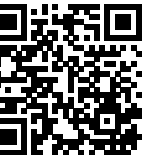

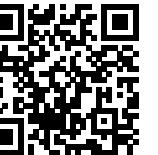

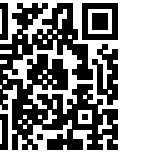

My preferred genres are Metalcore, electronicore, and post-hardcore.

Or bands like:

Crown the Empire

Attack Attack

Fear and Wonder
