## **GenClassifieds.com** Openings with Licensed Provider (RosemountApple Valley)

Location Minnesota https://www.genclassifieds.com/x-337474-z

Licensed Provider has several openings in my childcare home. Our daycare provides a loving, fun and educational experience for your child while you work. I have over 20 years experience as a provider and and very knowledgeable about child development, health and emotional development in children. Children are provided nutritious food (Food Program participant), a clean environment, and lots of learning experiences. We also have a Music Class with a Growing With Music instructor once per week.

Please email me with your child care needs (ages, hours, days of the week) as well as the start date needed and we can explore whether my home daycare is a good match for you and your child.

Thank!
