

Seeking Final Cut Pro X tutor (Honolulu)

Location **Hawaii**
<https://www.genclassifieds.com/x-337510-z>

Seeking a teacher for Final Cut Pro X, a video editing program
I've been taking lessons at the Apple store, but once a week isn't enough for me.
I need additional lessons to help reinforce what I'm learning at the apple store. The information at the store is really useful, but I forget it easily. Also, I'd like to study with someone that allows me to screen record our sessions.
Please tell me about yourself, how you learned Final Cut Pro X, your teaching experience. And please include some links to your video projects.
I live in Kapahulu. I have a 21 inch imac. I can travel to you, meet at my place, or a neutral location like the mall. I offer to pay \$15 dollars per hour. Paid in.
