

Moving Truck Loading and Unloading (Waveland)

Location **Mississippi** https://www.genclassifieds.com/x-337699-z

I am looking for two strong men to load our moving truck in Waveland, MS on Sunday, April 5th and unload it in Mobile, AL that same day. We have rented the truck and will provide transportation to and from Mobile, AL (if requested.)

This is home to home (so no stairs.) Complete home moving (including refrigerator, stove, beds, etc.)

I anticipate this to take between 8-10 hours in total. Willing to pay \$10 per hour, per person in cash.

Please reply to this ad via email with your name and phone number. I will call you back. I am not listing a phone number as the last time I did, the texts went on well after midnight and did not.
