Location **Illinois** https://www.genclassifieds.com/x-337706-z

Honest, friendly, competent, personified service; fair, reasonable, very competitive rates. Try it - you won't be disappointed. I'm not interested in milking the clock or your pocket; I'm interested in establishing a reputation and living up to it.

7 days a week.

When calling and/or e-mailing please be ready to describe your problem in details and to communicate the model number and/or some specs of your computer (if you don't know where to find the latter, I will help you).

My area of expertise:

- configuration, optimization and/or reinstall of Microsoft Windows, MS Office and other major (and minor) programs;
- replacing one operating system (say, Vista or Windows 7) with another (say, Windows XP Professional);
- removal of viruses, malware, spyware and adware;
- data recovery;
- testing, replacing, upgrading, configuring and optimizing the hardware (processors, memory, hard- and optical drives, video, audio, network, modem and interface USB, FireWire, etc cards, and so on).
