Tired of working just to provide childcare? I offer in home child care for \$25 a day. No contracts to sign and you only pay if your child is here. I am looking for a couple of children to watch during the day. I worked in a daycare for 3 yrs. I have an 8yr old little boy. Just looking for a little bit extra income. I offer a fun and educational home. Kids can work on activities and kick back and enjoy an age appropriate movie. I supply drinks, snacks and lunch. When it gets warm out I have a yard with lots of toys. If you are interested feel free to contact me through text or calling or shoot me an email. My number is 4 0 9 9 6 6 2. Hope to hear from.
