Are you experiencing hardware failures or software issues? Perhaps you've been infected by viruses? Is your computer slow or not optimal? Are you having trouble finding documents or maybe printing?

If you have any computer issues I can help you!

I will look for and remove any harmful programs, malware, viruses, spyware, Trojans, etc.

I can install new software and hardware if needed

I can help to solidify your network (wireless or wired) with the latest standards to ensure maximum usability and security.

Same Day Service in MOST cases!

PC pick-up and drop-off services available. On-site repairs available upon technician's phone evaluations.

Compare our prices to the competing big box store services using the image above!
