Wouldn't it be nice to have your own place on the coast of Maine, near the ocean that you can come to anytime as often as you like? Stay for a few days, stay for a week. Go back and forth all summer long. Own your own vacation home at an affordable price. The home is in a manufactured home community like in Florida but in Maine!

Ideal location. Located in mid-coast about an hour east of Portland, near Wiscasset and Boothbay, it makes a great base for your vacation activities. Walk to town. 15 minutes to the ocean. 15 minutes to Rockland. Not far to LL Bean.

Quiet. Sunset views. Plenty of space between homes. Some wooded lots. Side by side parking for two vehicles. Curbside trash pickup included. Pets up to 18 lbs allowed. 2 bedrooms, 1 bath. Lot rent is \$265/mo.

Own a place in Maine at a fraction of the cost of a typical vacation home. Two to choose from.
