Our Forest Home has 1 bedroom and a loft. It is super insulated and very easy to heat and cool. This low energy home offers year round comfort and low energy costs.

The cathedral ceiling is pine tongue and groove boards. The loft floor is pine boards and the stair treads and rail system Douglas Fir. This is a finely crafted small home. We can build one for you.

Our Eco Cape design is 1200sf. It was designed as an affordable energy efficient home that can be totally energy independent with the addition of solar electricity.
