I would like to see if there is enough interest in forming a new Model Railroad Club in Southern Jefferson Co in Missouri. I am collector/repairman/operator of Lionel Postwar O, O-27 and Super O.

I have repair tools and a layout in various stages of development and could use help in building and running it. I have many parts for postwar Lionel and can get many other parts, too.

I am also interested in a Model Train swap meet in So Jeff.
