### LOST DOG IN VILLA RIDGE AREA

-HER name is Shadow, she is a Australian Shepherd and Blue Heeler mix..black on top with gold on her face and she's a little smaller than average..very timid and shy until you let her approach you or you approach her she won't run away if you walk slowly when you pet her she is very loving. We are offering a \$250 cash reward no questions asked for her safe return or info leading to her whereabouts. Please help our kids are so missing their best friend. THANKYOU so much

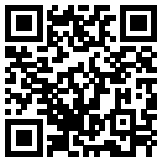

Her home is off HWY M right behind Boles Fire House on Sieve Rd. If you have seen her at all or might have seen her or have any information PLEASE let me know. I'll post pictures as soon as I can.

We think she may have been taken in a couple nights ago when it got very cold after following a dog over into Bridgewater Estates or not far from it because of her loving personality please share this and get the word around, she is the sweetest dog and anybody would love to just take her in w/o knowing if she has a home or not but if someone is caring for Shadow and has taken her into their home, SHE HAS A HOME and is making her family worried.
