Hello!

We are a well-established general contracting company, looking for excellent subcontractors. We require both experience & the ability to provide excellent references. We also require general liability & worker's comp insurances. We are based in Minnesota out of the twin cities, but work nationwide. We're looking for both gutter & siding crews with whom we can form ongoing business relationships. We've always got plenty of projects! Please reply via email or call me, If you'd like to. Please have the following info. ready:

Company info. (Name, address, years in business, etc)

Contact info (name, ph #, fax#, email)

Tax ID # Proof of both WC & GL insurance (name & phone # of agent is ok)

Your general work area and / or travel requirements

Do you have a dump trailer?

How long in business?

How many crews / guys per crew?
