You are young 18- 35(ish) and wanting to be in front of the camera but just haven't had the opportunity to do it yet. I am an amateur photographer looking to work with different models to practice/work on my portfolio.

I am interested in all sorts of photo shoots including but not limited to urban shots, portraits, etc. to the more risquÃ© shoots like lingerie, nudes, etc. You will not be required to partake in any photo shoots that you are not interested in, i.e. nudity is not required whatsoever. I am respectful and only want to shoot what my models are wanting to be involved in, hence the word "collaboration."

To start off with there will be no pay, but depending on how our working relationship develops that may change.

To be considered please send me a couple of photos of yourself, selfies are fine.
