Foreclosure hurts families and the community. A short sale is almost always a better option.

Contact me at I am a real estate agent with Keller Williams Realty.

We work with a short sale negotiation firm that provides sellers with:

- * A real state attorney at no charge to the seller
- * A real estate agent who does not charge the seller ANY commission
- * A free comprehensive short sale guide
- * A short sale negotiator who is paid by the buyer, NOT the seller

Why you should work with us to avoid foreclosure:

- * Foreclosure is a permanent stain. There is no 7 year limit on this item.
- * Deficiency judgement - your bank can still sue you after a sheriff's sale for what you still owe
- * Our negotiator works w/ your lender to forgive your deficiency after the short sale
- * Badly damaged credit - a short sale has a lesser impact on your credit, and for much less time
- * Tax liability - tax liability in a foreclosure may be higher than in a short sale

Contact me today at for a free, private discussion. We have a short sale specialist you can speak with and at no obligation or cost to you. We can help!!! And we have helped many in this unfortunate circumstance.
