ELECTRICIAN (Philadelphia, Delaware Co, Montgomery Co, and Mainline) -- Don't get "ZAPPED" by others claiming to provide quality work for prices that sound "too good to be true".

JW Contracting provides top quality electrical work for very reasonable prices. Your electrical needs will be done correctly, promptly and safely. Each project is correctly completed the first time and no job is finalized until the customer is 100% completely satisfied.

Professional Electrician with 25+ years of experience within the trades. Decades of experience includes a multitude of projects ranging from the small one day home repairs to full scale home remodels and larger scale commercial needs of surrounding businesses. No job is ever too small, too big, or too complicated. I strive to develop long term relationships with my customers, resulting in being their "Electrician of Choice" for future service and project needs.
