

OFFERED SLC to DenverBoulder 426

Location **Utah**

Hi I am traveling from Salt Lake City to the Denver/Boulder area on 4/26, looking to leave by the afternoon, expecting to arrive in the evening. I am undecided whether I will go I-70 through Grand Junction or I-80/I-25 through Wyoming. My pickup will be mostly empty if you need to bring stuff. I am looking for conversation and adventure, if you can pitch in for gas and snacks even!
