15 an hour Minimum Wage (SLC)

Location **Utah** https://www.genclassifieds.com/x-370031-z

I am starting a raise the wage campaign for \$15.00 in Utah. Not going to be easy, but I need volunteers to help with ALL aspects. None of this will be a paying gig, at lease right now, until we find a great grant writer:) and start getting a membership base behind the movement.

Send me an email let move this.
