Beautiful Home on 40 Acres (Fort Laramie)

Location **Wyoming** https://www.genclassifieds.com/x-370037-z

Pine Ridge Ranch, where this beautiful log home is located, is just five miles north of the town of Fort Laramie, Wyoming. This 10,000 acre private ranch is mostly comprised of 40-80 acre tracts with a few tracts consisting of more than a couple hundred acres. Located at 2104 Tollefson Road, this 3,600 sq. ft log home sits on 40 acres that are entirely fenced. To enhance the beauty of the property 500 trees at approximately 4 feet tall have been planted and are watered via an automatic drip system. The area boasts some fabulous views of what Wyoming has to offer, including wide open spaces and a spectacular view of Laramie Peak out the picture windows of the main floor.

Included on the property, is not only this wonderful log home, but also two additional detached outbuildings. There is a two car detached garage with concrete flooring, lighting and dedicated 110/220 volt outlets. Also on the property is a 42' X 60' pole barn/shop, which has concrete flooring, lighting and 110/220 volt outlets. The exterior of the home has been landscaped with a huge patio made of flagstone as you walk out the basement area. The landscape has been developed to require minimal water and work to maintain. There has been a small man made pond with a waterfall feature to enhance the living experience on this property.

The main attraction of this property is the magnificent log home, built in 2005, with its many special features. The home has 3 bedrooms and 3.5 bathrooms, with the master bedroom and bath are located on the main floor with the 2 additional bedrooms and 2 bathrooms on the basement level. The master suite is 19' X 26' and includes a walk-in closet with built-ins and a private bathroom with a whirlpool tub and a 4' X 7' ceramic finished shower. The two lower level bedrooms are both 17.6' X 10' and include walk-in closets and their own four piece bathrooms.
