HOUSE FOR RENT:

If you are looking to escape the 'rat race' and enjoy cleaner, quieter, more peaceful living in an accessible-yet-remote mountain town, check this out:

I have a house for rent in Centennial, Wyoming. Cozy, funky, and comfortable, this house was assembled from several smaller eclectic mountain cabins. It features 2 bedrooms, free satellite TV, can be furnished or not, includes washer/dryer, claw foot bath tub & shower, 2 wood stoves plus electric heating units. The property offers great views of mountains, pets are OK, has a fenced yard, 8' X 24' deck, 10 windows face south and sun, and is wonderfully peaceful and quiet.

Centennial is a small town (population 230) at the edge of the Medicine Bow National Forest. The house is located on the Snowy Range Rd., (Hwy 130), which has been called one of the ten most beautiful scenic byways in the US. The town is where the high plains meet the Rockies: you can go from the expansive vistas and open plains (elevation 8,200'), to heavily forested mountains, to alpine tundra (12,000'+) in 12 short miles. The house sits 27 miles from Laramie, home of the University of Wyoming, which offers the amenities and culture of some of the larger towns in Wyoming, yet is far enough removed that you can exult in peace and quiet under clear, starry skies on the front porch.

Centennial is an outstanding location for outdoors enthusiasts and active retirees. You can go right out

the back door onto an extensive network of trails in the beautiful Snowy Range in the Medicine Bow National Forest. Excellent hiking, mountain biking, skiing, snowmobiling, Snowy Range State Park area 4 miles away. Good hunting and fishing nearby. Wonderful scenic area for photography and simply just driving.

Please Google search "Images: Snowy Range Wyoming" for additional images of the area (for some reason CL is not allowing me to link to this).

\$85 /mo. plus utilities. Trade outs for improvements to the property (carpentry, painting, general maintenance, etc.) would be considered towards monthly rent.

Available starting April 21.
