One of our roommates is graduating and we need to fill a furnished room for the summer! The property is a 4 bedroom/2 bath house on 9th and Custer, and is situated super close (4 blocks) to campus and walking distance to downtown. We are all students here at UW, and are all very clean/welcoming. We are also all active/outdoorsy, so we love to ski, bike, climb, etc. The room will be available mid-May to the end of August. Email me if you have anymore questions. The cost of the room is \$430 + utilities. We can negotiate the price if there are any concerns. Email/Text/Call with questions. Phone number is 203-eight5eight
