Due to divorce I have to get rid of my cat. She is spayed. She is probably about a year and a half old. She uses the litter box, updated on all her shots/tests, she has never attacked/scratched anyone or even gotten mad at anyone (even when my two year old daughter is rough with her, she just runs away) . Please contact me for any further questions.
 I can also give you a litter box, bowls and some food to go with
