

HVAC and Sheet Metal Men 60.57hour (United States)

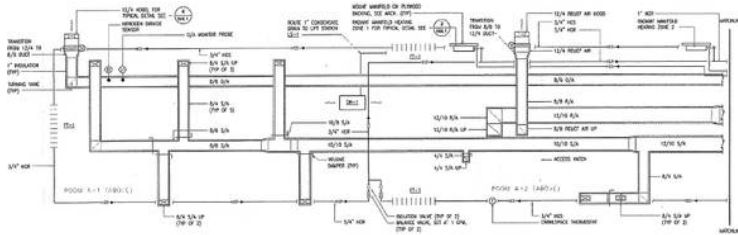

Location **Alaska**
<https://www.genclassifieds.com/x-370228-z>

Sheet metal duct installers, HVAC refrigeration pipe brazing with pump and R410 Freon to install a 3 ton computer room air conditioner in a museum in Skagway, Alaska for 1 full 40 hour week, all expenses paid plus \$60.57/hour.

If you are interested, send resume and contact information

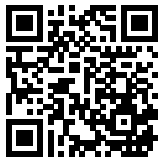

Each piece of the 3 ton split system weighs over 350 lbs, so you will need special equipment to handle and hang the unit under the floor in the crawl.
