Could you be the man or woman who fights a big corporation in court to protect the rights of consumers?

Every class action needs a lead plaintiff to represent the thousands or millions of other people who have been ripped off by big corporations. My successful class action firm is looking for more people to fight corporate fraud.

Our requirements are:

- California resident since 2013 or earlier
- U.S. citizen or lawful permanent resident (green card holder)
- No current plans to move out of California
- No serious criminal record
- No recent bankruptcies (before 2011 is OK)
- Reliable phone and internet access

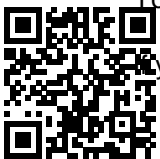

If we win or settle the case, our lead plaintiffs receive \$500-\$8000 per case. And you can do more than one case!

We are a pure contingency firm. This means we will NEVER ask you for money, and we will pay ALL the expenses of the case, including parking, airfare, BART, mileage, hotel, and any other expenses.

This is also not "quick money." Cases take an average of 2 years to settle, sometimes more, sometimes less.

You may be asked to do a TV or newspaper interview. This is not required at all, but many of our clients find going on TV fun.

If you are interested, please fill out a short case and send your name and the number to our next time.
