I have a buncha stuff that I got from Ikea that I need picked up from Emeryville and driven to North Oakland. (3-3.5 mi)

I will meet you at the Ikea loading spot, and then ride back to my house with you and unload it onto the porch. I plan to help load/unload, so I'm essentially looking for a person with a truck and an hour to kill who wants to make some cash for their time.

Theres a buncha stuff, but its ikea so long as you have a full size truck(or van) it should all fit easily.

thinking of trying to start at 10am, be done by 1045
