Has anyone seen an adult female beagle for sale or adoption on craigslist or anywhere else since July 10th of this year? Or did someone you know buy or adopt an adult female beagle since 7/10/14?

Our 10 year old female beagle disappeared on 7/10/14 from our home in Torrance. She could still be with whoever stole her or might have been sold or given to someone. If she was sold or given to someone else, we have reason to believe the person who bought or adopted her didn't know she was stolen. When she disappeared, she was being treated for a serious illness and requires medication 3 times per day. We're offering a reward for information leading to her safe return. Thank you.

¿Alguien ha visto un beagle hembra adulta en venta o adopción en craigslist o en cualquier otro lugar desde el 10 de julio de este año? ¿O es que alguien que usted conoce compró o adoptó un beagle hembra adulta desde 10/07/14?

Nuestro 10 años beagle hembra de edad desapareció el 10/07/14 desde nuestra casa en Torrance. Todavía podría estar con quien la robó o pudo haber sido vendido o dado a alguien. Si ella fue vendida o cedida a otra persona, tenemos razones para creer que la persona que compra o se adopta a su no sabe que era robado. Cuando desapareció, estaba siendo tratada por una enfermedad grave y requiere de medicamentos 3 veces por día. Estamos ofreciendo una recompensa por información que conduzca a su regreso seguro..
