Hi there

We are a female couple looking for a room to rent in mid May or early June.  
 We are both students. My girlfriend is a student and I am a student and also full time employed.  
 I just moved here from Concord and secured a full time job, she is studying abroad and won't be back until mid May. I would most likely be moving in first followed by her right after.

We are very zen. I have a Buddhist philosophy, very easy going, tidy, responsible and friendly.  
 She is more shy, very friendly, tidy and respectful.

Again, I am looking to move in mid May or June. Directly followed by her when she returns from her studies.

700 a.
