x00241187 Female Roommate Wanted in 2BDR1Bath Apt (Dupont AdMo)

Washington Location https://www.genclassifieds.com/x-370512-z

Hello! I am looking for a roommate for my 2 bed/1 bath apartment in the Adams Morgan/Dupont Circle area of DC. I prefer FEMALE PROFESSIONAL, but I'm not too picky about gender; as long as we get along. The available room costs \$1187.50/month. This includes all utilities with the exception of internet/cable. Deposit is required with first month's rent; it is the cost of one month's rent (1 month + deposit =\$2375). There is no off street parking, but street there is plenty of street parking. The lease is for 12 months and will begin May 1st. There is a background check, which is a fee of \$100. The available room is pretty spacious and uses the shared bathroom. It is the one pictured above. The current tenant fits a gueen bed, dresser, and wardrobe. There is no closet in this room, however. There is laundry in the unit. The apartment is right off of 18th street with access to nightlife, restaurants, shopping, etc. with U St just a few blocks away. The closest metro is Dupont Circle on Q St; it's about a 5-6 block walk.

A little about me: I'm a 25 y/o female working professional (architect). I like working out, watching Netflix, drinking wine, and other normal things. I'm pretty clean, non-smoker, and fairly laid back. I am looking to get a dog, so someone with allergies would probably not be a good fit. I would like to meet in advance before showing the apartment. I can meet anytime after 6 PM during the week as I work outside the city, and can possibly meet on the weekend depending on my schedule. So, send me a message telling me a little bit about!
