ABOUT ZOEY

I`m cute, sweet and totally perfect for you! If you like well-rounded cats, then you will like me. I like playing, exploring, bird watching and being petted. I`m not going to be aloof and I`m not going to be a clingy cat. My favorite thing in the world is CATNIP! I love it and will play like crazy after you give me some. So, if you adopt me, make sure you get me lots of toys and catnip. So far, I`m not a fan of other cats. I LOVE humans though! You won`t need anyone but me anyway! Visit with me and see if I`m a good match for.
