Location **Colorado**

I am looking for an EARLY morning delivery driver for one of my trucks.

This route covers the I-70 Mountain range. You will depart from a warehouse at 58th and I-25 in Denver and start your deliveries in Silverthorne at 7am. You return to Denver around 12 - 2pm depending on your load.

Your deliveries consist of auto and truck parts ranging from small envelopes to large heavy boxes and pallets going to Dealerships, Auto Repair Shops, Body Shops, Parts Stores, etc... you MUST be able to load and unload packages on your own DURING the route. The truck will be loaded at the warehouse prior to you arriving. You do not need to load your own truck.

What you need to do this job:

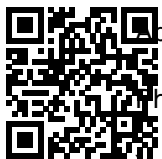

Reliable transportation!

If you have driven box trucks before, I want to talk to you!

A VALID Colorado Driver's License (Providing an MVR is a plus!)

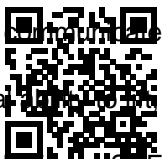

A working smartphone! (You need to find locations on Google maps or similar app)

Able to manage your time efficiently and effectively
