Hi. My name is Brad. I moved out to LA in December of last year into the valley and realized the valley isn't that cool. I'd like to move into the west hollywood area in the next couple months and share the rent as I set up.

Little about me...

I'm 22, I work F-S from about 11AM - 4PM, and 4PM-9PM and sometimes later. However, during the week i'm either gone at work or attending a music related meet-up or getting ready for bed. You won't find me hanging around much then. Weekends, i try to get out a lot and explore this city with people. Will probably do that even more being closer to the boulevard and the more exciting parts of Hollywood & LA. I don't smoke/do drugs, and I only drink socially. I don't have a pet, but I am not against one (especially a cat). I play piano sometimes, but nothing loud or obnoxious

Ideal roommate...

Looking for either m or f, no real preference. 20's-30's. Of course, someone I get along with.

I'd like to spend no more than \$500/month until I get hired into my second part-time job (in may).

So yeah, if any of this sounds like a good fit, just email or text me and we'll talk.

Thanks,
