I have a 2002 vw jetta for sale. won't start, will need to be towed.

Mods:
 17in maxxim maize black wheels
 5% tint in back windows and UV tiny in front
 Raceland suspension that is maxed. Adapters were removed to lower further plus away bar cut so it won't rub wheels.
 Tired are spaced 10 front 20 back
 SRS catback exhaust system
 Cold air intake with k&n air filter
 Crystal side markers
 Motor mount spacers
 Aftermarket stereo
 And of course.
