This magnificent full length silver/blue fox coat has never been worn. I have had it regularly klenditioned, kept in storage and in a smoke free home. Never had the occasion to wear it; hate to part with it but we are moving to warmer climes. Note the thickness of the pelts and the beautiful circular sleeves, full collar and silk lining- you will look spectacular in it. Comes with protective bag and hangar. Proudly made in the USA!

OUTSIDE Shoulder to shoulder:16"
Shoulder to bottom:49"
